ONE OF THE TRIUMPHS OF MOD ERN SURGERY-By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in one-third the time required by the old treatment. This is one of the greatest discoveries and triumphs of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffer-

At present the Rapid Transit Company will use the oil for its own consumption only in its power house on Alapai street. However, later on, when E. Pinkham's Vegetable Compound Just the Government pumps begin to use fuel oil the Rapid Transit cars can supply these also.

## A RATHER CURIOUS PAWNBROKERS BILL

A rather curious pawn brokers' bill, prepared, it is said, by one of the best known money lenders in town, has been offered to a statesman for introduction in the legislature. It is known, of course, that the Governor and the best minds of the Territory are somewhat desirous that a good pawn broking measure should be ening such injuries entail. For sale by acted, and the man who has drawn the bill doubtless hopes that all dealers. Benson, Smith & Co., Ltd., it will meet the approval of all those who have the welfare of the community at heart.

The bill has many peculiar features, but the essential ones are perhaps more than that. It is provided, for example, that a pawnbroker, paying \$300 per year for his license, shall be entitled to charge "not more than ten per cent a month for money advanced on pledges-and may charge less at his discretion." All pledges may be redeemed at any time, under the terms of the bill, "within three months or less time." The extreme generosity of these features will commend itself to philanthropists, because it is perfectly well understood that a man whose necessities compel him to go to a pawn broker always makes enough money to redeem the article pledged well inside the time limit named in the bill.
